Made with style and quality

BT2050 shows you don't have to sacrifice your good looks for comfort and convenience.

Designed around a striking, silver disc, the elegant BT2050 enables users to dynamically and smoothly control their calls.

With automatic pairing, simple four button interface and clear sound quality, the BT2050 is easy to set up and a pleasure to use.

It's perfect for busy people who want the benefits of great design – stunning looks and quality performance.

1) Answer/end button

2) On/off button

3) LED light

4) Charging socket

5) Volume up/volume down

6) Earhook

Quick start guide

Charging your headset

Charge your Jabra BT2050 until the LED light turns off.

Turning your headset on and off

Press on/off button for app. 2 seconds to turn the headset on or off.

Pairing the headset with your phone

1. When you turn on your Jabra for the first time, the headset will automatically start up in pairing mode.
2. Activate Bluetooth on the phone.
3. Press 'Yes' or 'OK' on the phone and confirm with PIN code 0000 (4 zeros).
4. Your phone will confirm when the pairing is complete.
5. For later pairing: Turn your headset off. Press and hold until solid light comes on.

Using your headset

Tap the answer/end button on your headset to answer a call. To end your call, just tap the answer/end button again.

Wearing it how you like it

Your new headset is ready to wear. You can wear it with or without earhook. It is your choice. The earhook comes in two sizes and can be clicked on easily for right or left ear wearing.
